

MAISON HUIBAN

Champagnes Auguste Huiban & Paul Augustin

Ratafia Pinot Noir

Varietal

100% Pinot Noir

Description

We produce our own alcohol, used for the mutage of the juices, from grapes and juices from the Auguste Huiban and Paul Augustin Champagnes, owned by the family for five generations. Complete control of the vinification and ageing process from start to finish enables us to claim that our ratafias are 100% Distillerie des Dames Blanches!

Pairing suggestions

Our ratafia boasts great aromatic complexity thanks to at least nine months' ageing in barrels formerly used for Champagne, Marc de Champagne, Fine de Champagne and Ratafia. Notes of dried fruit and melted nuts dominate the tasting, giving way to a delicate finish with aromas of vanilla and white flowers.

Technical characteristics

Aged in champagne barrels
